# THERE ARE MANY WAYS TO PARTICIPATE IN THE 35<sup>TH</sup> ANNUAL MEETINGS OF THE EASTERN ECONOMIC ASSOCIATION.....

## PRESENT A PAPER

Papers are invited on all topics in economics.

To submit a paper (or two) complete the form provided and return it along with a detailed abstract (please include JEL code) of each paper and payment of the required submission fee(s) by the indicated deadline. Please also send an electronic version of the abstract as a word document. The electronic version should include the author(s) name(s) and affiliation(s), the JEL code(s), and a notation if there is any day the presenting author will **NOT** be able to attend the conference.

Please note that there is only one paper submission fee per paper even if it has more than one author, and that the paper submission fee is **non-refundable**, even if the paper is not accepted and even if the author(s) subsequently cannot attend the conference and present the paper.

### **The paper submission fees are as follows (per paper, 2 paper limit, non-refundable):**

Submitted *before October 6*: Current Members \$35 each paper; Non-members \$55 each paper

Submitted *between October 6 and November 3*: Current Members \$50 each paper; Non-members \$70

Persons submitting papers can become members (or renew a membership) at the same time as submission (and immediately avail themselves of the reduced member rate) by paying the appropriate membership fee along with the submission fee.

**NOTES:** Submission date will be determined from the postmark, fax, or e-mail date. Those submissions dated by the deadlines indicated above will be considered to have been submitted on time.

Submitted papers will be reviewed by a Program Committee in early December. Acceptance letters will be sent to authors and a schedule of sessions will appear on our web site by mid-December. In order to be listed in the printed conference program, participants must register and pay the appropriate registration fee (see reverse) by January 13, 2009 (the fee is thereafter nonrefundable). Please note that there will be an additional fee for on-site registration.

## BE A DISCUSSANT

Discussants play a vital role in the conference by offering colleagues comments and suggestions about their research. A discussant is asked to read a paper in advance and prepare 3 to 5 minutes of comments on it. You may volunteer to serve as a discussant for one or more papers even if you are not intending to present a paper (or two) of your own at the conference. Please use the form included and indicate the number of papers, the JEL code(s) and the area(s) in which you would be willing to discuss. Be sure to indicate if you will **NOT** be present for any of the days of the conference.

If you are intending to present a paper and wish to also serve as a discussant you can deduct \$15 from the fee for submitting a paper (note this is **NOT** a deduction from the conference registration fee). Please indicate on the form the number of papers, the JEL code(s) and the area(s) in which you would be willing to discuss. Be sure to indicate if you will **NOT** be present for any of the days of the conference.

In order to be listed in the printed conference program, participants must register and pay the appropriate registration fee (see reverse) by January 13, 2009 (the fee is thereafter nonrefundable).

### CHAIR A SESSION

Session chairs help ensure that sessions will run smoothly. Chairs are asked to help make sure that the discussants in a session receive the papers in a timely fashion, and serve as timekeeper/moderator during the session. You may volunteer to serve as a chair for one or more sessions whether or not you are presenting or serving as a discussant. Please use the form included and indicate the number of sessions, the JEL code(s) and the area(s) in which you would be willing to chair. Be sure to indicate if you will **NOT** be present for any of the days of the conference. Please note that there is no discount on fees for only chairing a session.

In order to be listed in the printed conference program, participants must register and pay the appropriate registration fee (see below) by January 13, 2009 (the fee is thereafter nonrefundable).

### ORGANIZE A COMPLETE SESSION

A completely organized session is one that has been constructed in its entirety by a session organizer and submitted to the EEA as a complete package. It generally consists of three papers, discussants, and a session chair.

While there are no paper submission fees for papers in completely organized sessions, each participant is expected to pay the appropriate conference registration fee even if he/she is a discussant, chair, or has been invited to participate.

There are no paper submission fees for papers in completely organized sessions, but each participant is expected to pay the appropriate conference registration fee even if he/she is a discussant, chair, or has been invited to participate. The deadline for submitting a proposed session is November 10, 2009. Please visit our web site for more information about how to organize a session.

### JUST COME!

You are welcome to just attend the conference...there are sure to be plenty of sessions of interest (they cover most areas of economics) and special conference highlights (you may wish to visit our web site to look at last year's program as an indicator of what is likely to be on this year's program). Participants are asked to register and pay the appropriate registration fee (see below) by January 13, 2009.

### ARE YOU A STUDENT?

A graduate student participating in the conference can become a student member for \$25 and pay the member rates for submission and/or conference registration fees. Please provide proof of status at the time of payment; this can consist of proof of enrollment or a letter from the department chair.

There are special sessions for undergraduate students sponsored by *Issues in Political Economy*, a journal of undergraduate research in economics. Students in such sessions will have the

opportunity to present their research, discuss that of other students, and will also have the possibility of publication in the journal. Please provide proof of status at the time of payment. There are special sessions for undergraduate students...please contact the Executive Director of the EEA for more information about these sessions at [mlesser@iona.edu](mailto:mlesser@iona.edu).
