

**Thirteenth World Congress of Social Economics**  
**Social Economics, the Social Economy, and Wellbeing**

**June 28 – July 1, 2010**

Karl Polanyi Institute of Political Economy  
Concordia University  
Montreal, Quebec, Canada

The conference will take place on the downtown campus of Concordia University in the heart of multilingual, multiethnic Montreal, in the midst of a multitude of cafes, bookstores, restaurants, boutiques, museums, art galleries, B&Bs, and hotels. Concordia is also not far removed from Montreal's three other universities: McGill, Montreal, and UQAM (University of Quebec in Montreal). It is also walking distance or a short metro or bus ride to the Old City, the well-rested centre of Canada's second oldest cities and one of the oldest urban centers in North America.

Sessions begin on Friday, June 29th with the opening reception the evening of June 28th.

Paper and session proposals on different themes and perspectives are most welcome. We welcome your online submissions! All submissions should be approximately 250 words. In addition, your submission should contain your affiliation and contact information. Please specify if you are a graduate student.

All submissions should be sent to: [morris.altman@vuw.ac.nz](mailto:morris.altman@vuw.ac.nz). The subject line should read ASE Montreal Conf 2010 sub (surname of submitter) i.e.: ASE Montreal Conf 2010 Sub (Altman).

The deadline for submissions is February 1, 2010. You will be notified by February 28, 2010, whether or not your submission has been accepted for presentations.

All sessions will take place at Concordia University, downtown campus.

**Confirmed Keynote Speakers:**

**Professor Sakiko Fukuda-Parr**

Graduate Program in International Affairs  
The New School

Prior to coming to the New School, she was a Research Fellow at Harvard University's Kennedy School of Government. From 1995 to 2004, she was director of the UNDP Human Development Reports.

Founder and Editor of the Journal of Human Development  
On the editorial board of Feminist Economics

**Professor Pierre Fortin**

Department of Economics

Université de Québec à Montréal (UQAM) His research interests include wage and price dynamics, economic fluctuations and growth, adolescent behaviour, taxation, fiscal and monetary

policies, social policy and population economics. He is now particularly interested in Identity, Social Interactions and Well-Being.

In 1995 he was recently selected by the Quebec Association of Business Economists as "the most influential Quebec economist of the last decade".

He is a past President of the Canadian Economics Association.
